## ABOUT ME

I have been working in Editorial of HETV and feature films for 12 years and have loved every minute of it! Everything from small short films to TV projects to seeing a feature I've cut in the theatre, nothing excites me like the art of story-telling and working with a Director.

Having cut projects in London, Glasgow, Munich and Auckland, New Zealand I go where the work is and maintain a wide availability with my own portable Avid setup and fibre connected home edit suite for remote working.
