## PROFESSIONAL STATEMENT

I moved to New Zealand from the UK at the age of 15, bringing with me a love of not just Film/TV but of storytelling. This has led me to dabble in theatre, dance, writing and eventually to screen and I have loved every minute of it. From when I was a young kid gazing at the screen watching *Star Wars* to working on local dramas like *Two Doors Down* or even international projects like *Ash vs Evil Dead* and *Outlander* nothing interests me like the art of story-telling.

Currently available for work across both the UK and New Zealand :)
